**Our Patron in his 94<sup>th</sup> year will be joining us on the March so all you young fellas join us as well**

The President has assured us there will be some money for a “dry till” and a limited number of sandwiches have been ordered for the team. The President also mentioned he would very much like all personnel marching to come back to the Coorparoo RSL for a social get together. He appreciated that there are those who go to the Irish Club but the RSL have been very good to us and he requests that we repay a little of their generosity.
